

## **Math 5 CFA#2 Intervention Overview**

Your student has been assigned an academic intervention on their Student Academic Accountability Plan in order to address learning deficits and encourage mastery of important standards. Please review all the intervention requirements below and direct any questions to your subject teacher. Failure to complete the assigned intervention as outlined below will result in entrance/violation of the Academic Probation Program.

---

### **Intervention Overview:**

#### **Purpose:**

*Address student gaps in standard as shown on the Math CFA#2 in-person test*

#### **Requirements:**

- *Attend required math live lessons January 20th-March 13th and participate in Nearpod*
- *Students will participate in a review and score 70% or above on a Progress Learning assessment at the end of the review session to be removed from the intervention*

#### **Exit Plan for Intervention:**

*This intervention will end on March 13th.*

---

#### **Pathway to Mastery & Exit Plan:**

1. Complete assigned modules/practice in Progress Learning
2. Attend teacher-led math sessions
3. Submit evidence of learning through Nearpod

4. Exit with  $\geq 70\%$  OR demonstrated proficiency on Progress Learning assignment

---
