

Lit & Comp II Beginning Learners **Overview**

Your student has been assigned a required academic intervention as part of their Student Academic Accountability Plan (SAAP) to support progress in Literature & Composition II. Current performance data, including CFA assessment results and instructional evidence, indicates that your student is predicted to perform at the Beginning level on the End-of-Course (EOC) assessment. This intervention is designed to provide structured, targeted support focused on strengthening essential reading and writing skills aligned to Georgia's English Language Arts standards and preparing students for the Lit & Comp II EOC, which counts as 20% of the final course grade. Please review all intervention requirements outlined below and contact the course teacher with any questions regarding scheduling or expectations. Failure to complete the assigned intervention as required will result in documented SAAP violations and may lead to additional academic consequences in accordance with school policy.

Intervention Overview:

Purpose:

The goal of this intervention is to support the student in improving their reading and writing skills in Literature & Composition II so they can meet grade-level expectations and demonstrate readiness for the EOC assessment. This intervention focuses on strengthening comprehension, analysis, and evidence-based responses aligned to Georgia's English Language Arts standards.

Requirements:

The student is required to attend at least one (1) live Literature & Comp II lesson per week with their EOC content area teacher and complete the Evidence of Learning the same day. Students will have two live opportunities per week to meet this requirement. In addition, the student must complete all assigned remediation activities, targeted practice, and required assignments connected

The student is required to attend at least one (1) live Literature & Composition II lesson per week with their EOC content area teacher and complete the Evidence of Learning on the same day. Students will have two live opportunities per week to meet this requirement. In addition, the student must complete all assigned remediation activities, targeted practice, and required assignments connected to intervention supports. Participation in assigned intervention sessions (WIN, small group, or teacher-scheduled support) and required progress monitoring check-ins is mandatory.

to intervention supports. Participation in assigned intervention sessions (WIN, small group, or teacher-scheduled support) and required progress monitoring check-ins is mandatory.

This intervention is required WEEKLY. Each week not completed will result in a violation of the SAAP plan and could lead to administrative withdrawal.

Exit Plan for Intervention:

The student will exit this intervention when performance data indicates proficiency on grade-level Literature & Composition II standards, as demonstrated through assessment results, Evidence of Learning completion, and improved EOC predictor data showing readiness to perform at or above the Developing level.

Pathway to Mastery & Exit Plan:

1. Attend at least one (1) live Literature & Composition II lesson each week with the EOC content area teacher and complete the Evidence of Learning on the same day. Students will be provided two live opportunities each week to meet this requirement. All required components will be clearly labeled as **REQ** on the student's planner. **We will not accept asynchronous completion of Live Lesson participation.**
2. Complete all assigned remediation activities and targeted practice connected to priority Literature & Composition II standards. All required items will be labeled as **REQ** on the student's planner.
3. Attend teacher-led WIN sessions, small group instruction, or scheduled support sessions as assigned for additional skill development (as needed). Required intervention sessions will be labeled as **REQ** on the student's planner.

The student is required to attend at least one (1) live Literature & Composition II lesson per week with their EOC content area teacher and complete the Evidence of Learning on the same day. Students will have two live opportunities per week to meet this requirement. In addition, the student must complete all assigned remediation activities, targeted practice, and required assignments connected to intervention supports. Participation in assigned intervention sessions (WIN, small group, or teacher-scheduled support) and required progress monitoring check-ins is mandatory.

Platform & Access:

- Students should only need access to Zoom for this intervention. Students MUST attend the session(s) live—there is no asynchronous option to complete this intervention.
